

**Dear Tenant:**

We will be performing a routine pest control service of the outside grounds where you live. This service is being performed to eliminate (or prevent) **CRAWLING INSECT** infestations.

Assassin Pest Solution will be treating your grounds on \_\_\_\_\_, 20\_\_\_\_.

In order to enable our Pest Solution Specialist to apply an effective treatment, we require your cooperation in carrying out the following instructions:

**Prior to Spraying:**

- Place all toys including pet toys inside the home or away from the home.
- Close all windows.
- Shut off all Air Exchange Units such as an air conditioner.
- Move pets inside the house or off of the property.

**After Spraying:**

- Do not walk on the lawn or flower beds for 4 hours.
- Keep all pets off of the lawn for 24 hours.
- Do not mow the lawn for 48 hours.
