

Dear Customer/ Tenant:

We have been engaged to carry out a routine pest control service of the premises occupied by you. This service is being performed to eliminate (or prevent) **SPIDER OR FLYING INSECT** infestations.

Assassin Pest Solution will be treating your premises on _____, 20____ at _____ am/pm. It will be necessary for you to vacate your premises until _____.

In order to enable our Pest Solution Specialist to apply an effective treatment, we require your cooperation in carrying out the following instructions:

EXTERIOR TREATMENT

- Place up all toys including pet toys inside the home or away from the home.
- Cover barbeque and move away from the home (outside roof drip zone).
- Move all patio furniture cushions inside.
- Close all windows.
- Shut off all Air Exchange Units such as an air conditioner.
- Move pets inside the house or off of the property.
- Notify neighbours that have dogs or cats that are out during the day that the spray is going to occur so they can ensure their pet's safety.
- If exterior of home is dusty/dirty, we strongly recommend power washing the home prior to the spray.

INTERIOR TREATMENT

- Clear off window ledges.
- Ensure clear access to the attic.
- Ensure clear access to baseboards and pipe chases.
- Remove all food, dishes and cooking utensils from countertops, stoves and table tops and place in cupboards or in the fridge.
- Birds and pets must be removed from the premises for 4 to 6 hours. Fish tanks must be covered, and the pumps turned off. All plants must be removed or covered.

Everyone must leave the premises for at least 4 to 6 hours. Anyone who has allergies, asthma, respiratory conditions, heart conditions, is pregnant, or children under the age of 4 should leave the premises for 24 hours. Cats should be removed for 24 hours.

AFTER TREATMENT

Any potential damage must be reported to our office within 48 hours after the treatment.

Strongly recommend power washing all siding particularly siding on the South and West side of the home 7-10 days after the treatment.

Strongly recommend washing off the deck, playhouse and other yard structures before using if they were part of the treatment.

Do not let the children and pets out for 4-6 hours.

If interior treatment, all food preparation surfaces must be cleaned prior to any food preparation.
